

GATE CITY VINEYARD CHURCH – WORSHIP LEADER/PASTOR

Reports to: Lead Pastor
Supervises: Music/Band and Production/Media Volunteers
Hours/Pay: Part Time, 15 hours/week

Gate City Vineyard is seeking an innovative, energetic, relational individual to lead our Worship Ministry. In this part-time position you will lead a broad range of volunteer musicians, vocalists, and production technicians in one of the key ministries of our church.

The ideal person will lead vocally and instrumentally, have a passion for worship, and bring fresh ideas on worship styles—especially within the context of our Vineyard values and ethos. The ability to lead experienced musicians as well as identify/audition/develop/nurture artistic talent are key.

We are an active Christian community of about 100 people (some in-person, some online) with a lively, intergenerational mix—our ongoing mission is to engage God, one another, and the world. Our Sunday morning service is a come as you are experience where we desire to connect with God through song, prayer, teaching and being together. Current music style ranges from a full band to a simple acoustic set, and includes songs from Vineyard, Jesus Culture, Bethel, Hillsong United, and classic hymns. We welcome the idea of a new leader bringing new songs, styles, and worship experiences to help us experience the broad range of God’s presence and power in our community. We are committed to worshiping in Spirit and in Truth; we encourage a freedom to be led by the Spirit in worship even as we remain in the solid truth of our biblical Christian faith. We want our church to grow, stretch and reach new levels in worshiping our Savior.

Qualifications:

The candidate should possess:

- A strong and growing relationship with Jesus Christ
- Strong leadership skills and ability to build volunteer teams with members of varying skill levels
- Servant heart and attitude
- Excellent communication skills
- Teachable disposition and able to receive direction and correction
- Technically excellent instrumental and vocal ability, able to train other musicians and vocalists. Ability to lead from a guitar is a plus.
- Ability to engage worshipers, by the leading of the Holy Spirit, through songs, music, and prayer.
- An attitude which values diversity and shows intentionality in creating an atmosphere that welcomes worshipers from different backgrounds.
- Minimum 3 years worship leading experience in a congregational setting
- A good understanding of the production side of worship including sound, video, media, and livestreaming is a huge plus. Must understand enough to work effectively with the production team.
